Mr. Jitender
Manager
M.D.S Public School
Vill Madina Distt. Rohtak 124001

Subject:- Building Safety Certificate

Sir,

The School building has been inspected and structure seems usable for the purpose of school/collage. However the building during construction has not been supervised by this officer so the school management should have arrangements for the natural calamities i.e. sudden failure of stone patties, earthquake, fire, flood etc.

The certificate is valid for the session... two years..... only.
